# Toilets during class time

*Given the continued ongoing issues with some pupils accessing the toilet unnecessary during class and between periods, vandalism and vaping we have made the decision to trial the closure the toilets at DMG during and between periods.*

*THE TOILETS WILL ONLY BE OPEN BEFORE REGISTRATION, DURING BREAK AND LUNCH AND AT THE END OF THE DAY.*

*Pupils can still access the toilet in the **Medical Room** during class time if needed. Can pupils still complete the QR Code before leaving the lesson to go to the toilet.*

*We understand that the vast majority of students use and treat the bathrooms in an appropriately manner and we hope to be able to have a system in place so that this can happen for all. We hope this to be a short term measure. Please give your Registration teacher any feedback to pass on to the Extended Management Team to discuss.*

Thanks  
SMT

# Word of the Week

This week the word is **cursor**. When you give something a **cursor** glance or examination you look at it briefly without paying attention to detail.

Use this word in a sentence like this:  
Even a **cursor** glance at the figures will tell you that sales are down this year.

Word origin: early 17th century from Latin.

**Dr Stewart**

# School Buses -Young Scot Cards

Pupils who don't have a Young Scot Card need to apply.

Pupils will be expected to use their Young Scot card to gain access to the school bus, and this will become mandatory from August.

No paper passes will be issued in the new term. Between now and the end of term, students should be encouraged to use their Young Scot card to become familiar with what they need to do.

Pupils who do not have a Young Scot card should apply using [getyournec.scot](https://getyournec.scot).

# VAPING IN THE TOILETS

Any student caught vaping or hanging around with other students vaping in the toilets (regardless of the holding the vape or not) will have a letter sent home to their parents/carers. The toilets are not for hanging around in. Remember toilet monitoring is happening on a weekly basis through the QR code and parents/carers are contacted dependant on frequency of use. If this continues we will be looking at further action as the toilets are to be accessible to all students in the school as a safe environment.
