<i>Leadership: An Introduction</i> <i>Leadership in Practice</i>		This award is designed to enhance your knowledge of leadership styles, skills and qualities by finding out about different leaders. You will be able to compare different styles of leadership and consider their effectiveness. The knowledge you will gain will help you to reflect on your own skills, qualities and experience in relation to leadership. The award is also designed to allow you to develop your potential for leadership by giving you the opportunity to take a leading role in an activity.

Career Pathways			
The Leadership Award seeks to develop learners' potential as employable, contributing members of society through the development of leadership skills and knowledge. Learners will find out about different leadership styles and qualities. They will also gain knowledge about themselves as leaders. Learners are given the opportunity to take ownership for particular activity or to take on a leading role within a wider activity. Thus learners may be able to develop lifelong, transferable skills which could serve them well in employment. This will complement and enhance learning in other areas giving learners the potential to achieve success in the new and challenging situations that the world of employment may present.
