Summer uniform S1-S6

Our young people have asked for shorts to be added to our uniform.

We have listened and have agreed with young people that plain black (no logos) knee length shorts can be worn in the summer months from **April to June** and from **August to September**.

To mitigate against our concerns regarding shorts being worn in practical subjects e.g. Science/Food technology /Practical woodwork/ Craft and Design Technology (CDT) the shorts should be **plain black, knee length and loose fitting**.
